Choosing a suitable exchange is also crucial in the process of trading cryptocurrencies. For those with interests in cryptocurrencies, we would like to introduce <a href="https://exchangesinthy.org/brokeragesi

BTCC stands out in many aspects, like high liquidity & volume, flexible leverage up to 150x, rich rewards, etc. We believe join BTCC would make your trading journey more delightful!

The following sets forth the guidance for buying cryptocurrencies on cryptocurrency exchange BTCC:

**Step One**: go to the <u>BTCC homepage</u> and log in to your BTCC account. If you do not have an account, you need to register first, and then fund USDT in your crypto wallet after registration.

**Step Two**: go back to the <u>BTCC official homepage</u>, choose "Futures" -"USDT-M Perpetual Futures Contract", and find the cryptocurrency/USD trading pair.

**Step Three**: enter the amount of coins you want to buy, and the amount of the contract purchased and the required margin will be displayed below.

**Step Four**: finally, adjust the leverage multiple and click Buy.

**Note**: BTCC provides mode trading and offer mode trading fund. Those who want to try to start cryptocurrency contract trading, and more concerned about the fee (BTCC minimum fee can be 0%), it is recommended to start from BTCC!
