How to Play Binance Crypto Wodl?

Follow these steps to play Binance Crypto Wodl:

- Complete your Know Your Customer (KYC) process by opening a Binance account.
- Once you've logged in, select More from the Account drop-down menu.
- Click Wodl after scrolling down the page. You can also visit the Crypto Wodl website directly.

This game requires that you click on a crypto/blockchain-related term correctly. For the time being, things operate in a manner similar to the well-known Wordle game. Game Words entered into the system are highlighted in different colors, showing that each letter has been entered incorrectly, and each letter has been placed where it should be. The Wodl color codes are listed below:

- Green: Right place, correct time, right letter. It's a great achievement!
- There is a yellow asterisk next to a letter that should be red. Remember that.
