Binance Learn and Earn Quiz Answers - Beginner's Guide

To encourage more frequent use of the [Binance](#) platform, the company has introduced the Learn and Earn initiative, whose material is designed to educate and entertain readers. Similar to Coinbase Earn, which allows users to earn AMP, The Graph, SKALE, and other tokens through crypto quizzes, this new endeavor will allow users to earn cryptocurrencies by answering questions about them.

Furthermore, in March, Binance launched a game called [Bitcoin](#) Button, which offered players the chance to win Bitcoin. Let's have a look at the Binance Learn and Earn Quiz Answers and how users may make the most of it.

Binance Learn and Earn Quiz, Explained

[Binance](#) developed the Learn and Earn Program to provide its customers with an incentive to educate themselves on the fundamentals of [blockchain](#) technology and cryptocurrencies.

Users are encouraged by the program to learn more about crypto by viewing instructional films and reading related publications. Then, they'll use that information to take quizzes and earn cryptocurrency.

There is a cap on the total amount that can be redeemed and the rewards can change over time. Currently, the two introductory courses cost 0.5 BUSD and 50,000 SHIB, respectively.

How to Earn Money on Binance Learn and Earn Quiz

- Following the steps outlined in this article will allow you to enroll in the Binance Learn and Earn Quiz and start earning additional coin incentives.
- Go to Binance's website and check out their Earn and Learn section.
- Have a look at the many crypto courses and tests we provide.
- Choose the class, read the instructions, and finish it within the allotted time.
- Passing the test will immediately qualify you for the cryptocurrency prizes.
- Select Accounts > Rewards to claim your award.

But there's a small catch: by the time you get there, the rewards for some of the available quizzes may already be gone. If that is the case, the quiz will conclude with the words "All awards redeemed, stay tuned."

Binance has already stated that it will be extending its Binance Learn and Earn Quiz and adding new quizzes related to its blockchain and cryptocurrency courses. The new offering will roll out in three waves, and each will include a different set of enticing crypto incentives on a first-come, first-served basis. Users can earn up to \$13 in cryptocurrency by taking part in fun crypto courses and quizzes. Beginning on July 21st, 2022, a new era will begin.
