What is Binance Learn And Earn Quiz?

With the goal of helping its customers better understand cryptocurrencies and blockchain technologies, Binance created the Learn and Earn Program.

Users are encouraged to learn more about crypto by reading articles and watching tutorial videos. And then they'll use that knowledge to earn cryptocurrency by taking tests.

These have time-sensitive rewards that decrease in value with time. Both of the introductory classes cost 50,000 SHIB and cost half a billion US dollars.
