Are you very interested in meme coin and want to buy this kind of coin in Canada right now? Indeed, with the rapid development of crypto market, meme coins have drawn much attention around the world, so as in Canada. When it comes to meme coins, Pepe(PEPE) always plays a significant role in this category with its excellent performance.

Before you buying Pepe(PEPE), you need to know what Pepe(PEPE) is. Pepe (PEPE) is a meme coin developed as a tribute to “Pepe the Frog” internet meme. PEPE works as an ERC token built on the Ethereum blockchain. Since launched in April 2023, PEPE has rapidly gone viral.

Although the official website of Pepe Coin states that PEPE is a meme coin with no intrinsic value or expectation of financial return, it has still successfully won the hearts of the vast number of coin traders on the social media platform and built a loyal community that is full of expectations for the future of this meme coin.

PEPE is a deflationary token whereby it burns a small percentage of tokens with each transaction that drives up scarcity. Redistribution system of PEPE distributes a portion of the proceeds from transactions to existing token holders, creating an additional incentive for users holding Pepe coins.

Considering the current state of Pepe (PEPE) and its potential as an investment, there are huge attraction for investors to explore this meme cryptocurrency. Despite the recent price decline, most investors are still quite optimistic about this meme coin, believing there is huge potential for its price rally.
