Bomber Crypto NFT

Bomb Crypto is a classic pixel style [NFT](#) game. Players manage a group of Bomber Heroes to fight monsters and earn money (BCOIN) through this process. The game offers two NFT items. BHERO and BHOUSE

In order to play this game, you need at least one Bomber Hero (BHERO). Each Bomber Hero has different attributes. You can upgrade them at any time during the game to improve performance and combat effectiveness.

BHOUSE or the Bomber House is where your Bomber Hero go to recover. However, buying a house for your hero is not mandatory. Without a house, your bomber hero will rest at a relatively slow rate of recovery.

The game provides different game modes; Treasure Hunt mode, Story mode and Battle mode. In Treasure Hunt mode, players send bomber heroes to the mining area and ask them to place bombs to destroy the block to find BCOIN. In story mode, the player selects a bomber hero to destroy all monsters, and obtains BCOIN through each level.

In Battle mode, players join the bomb war to fight with other players. In this mode, players need to pay a certain amount of tokens as the entry fee. The last winner will take most of the loser's tokens.
